

BIZZ-O-WAR [BUSINESS QUIZ]

PROBLEM STATEMENT

Bizz-O-War is an event which tests the knowledge of the participants in the corporate sector. It is an interactive business quiz.

Description

Questions about events, which occurred recently and in the past that took the corporate world by storm, are asked. These events included takeovers, merging of companies, new establishments, controversies, prominent business leaders etc.

Round 1 which is the interactive business quizzing round consists of general questions related to business (e.g. The Indian telecommunications firm Micromax is situated in which state?).

Round 2 (CONNECT) 3-4 pictures are shown to the teams, and each picture formed a part of the overall answer. Teams are required to find the answer utilizing the visual clues provided.

Round 3(BID n FIRE) has 6 packages, 3 under Set A and 3 under Set B. Questions in Set A are worth 75 points each, and those under the other set are worth 90 points each. Teams have to choose the appropriate package and bid for them in order to answer the questions contained in the respective sets. Team which bids the highest amount wins the package.

COMPETITION RULES

- <Rule No. 1> 100 base points are given to each team.
- <Rule No. 2> Teams have the option to make investments of desired amounts (in multiples of 10), which could be increased, decreased or changed at any point of time, before a questions is asked.
- <Rule No. 3> 20% of invested money is awarded for a correct answer.
- <Rule No. 4> 20% of invested money is deducted for an incorrect answer.
- <Rule No. 5> 10% of invested money is awarded for a correct answer of a passed question, that is, if the team answering the question has invested any money, 10% of it was awarded.

ROUND 1 – INTERACTIVE BUSINESS QUIZZING

- 3 questions are given to each team, totalling 18 questions.
- Investment system is valid in this round.
- +100 for correct, -50 for incorrect, and +50 for correct answer of a passed question are awarded.
- 15 seconds are given for answering the question to the team to which question was originally asked, and 5 seconds to team to which the question is passed.
